BMF KENYA NOVEMBER 2025 REPORT

INTRODUCTION

Over 1,000 people were reached through the outreaches in November. The highlights of the month's outreaches were Thika Town and Makongeni areas. These meetings were set up with the assistance of Edward Mburu and other contacts in the area.

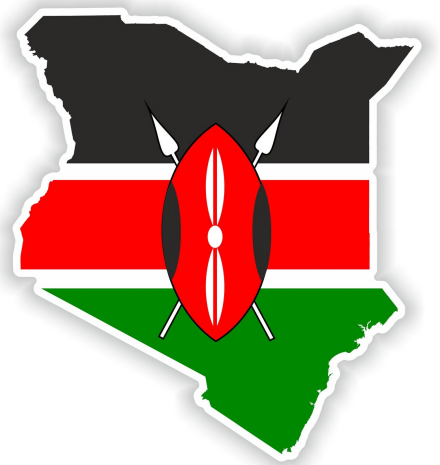

The two meetings that happened in the last weekend of November (29th and 30th) had a good response of more than 500 men in the two areas. Majority of these men work in factories in Thika, which is an industrial town.

The reception to the testimonies was very good with a combined response of more than 400 men responding to receive Christ.

The leaders of the new Thika Chapter are planning another outreach on Wednesday, December 31st

and those of the new Makongeni Chapter, on Sunday 21st.

Below is a summary report of our outreaches in November and the December planned outreaches.

Remarks: The next outreach in the area was scheduled for Saturday December 6th at Kangiria Open Grounds. A committee was appointed to plan invitations since this outreach is targeting to reach over 300 men in this area that is receiving new residents, who are buying and building there, at a very high rate.

Leaders from Rumwe neighbourhood Chapter were invited to the meeting to get planning assistance for future outreaches in their area.

Members enjoyed goat meat from the resort and spent time together until 5 pm.

Venue: Wetland School Hall.

Attendance: 120 men and their sons.

Remarks: We had a great time together as men and our sons. Stephen, the first speaker, encouraged the men present to participate in reaching more families and to spend more time with their sons. He also led us with some songs using his guitar.

After several short, but uplifting testimonies, Samuel shared his testimony, prayed for salvation and then led an open talk (question and answer session), where men, and especially the sons, asked questions.

It was a very lovely moment and we plan to schedule more meetings of this nature.

Report on BMF- UGANDA work for December 2025.

On 28th December, Jude Musisi and I went to Pader Prison. We arrived there at 11am. The O.C welcomed us and took us to his office to sign in the visitor's book. We shared the Word of God with him in the office, and he received salvation. He assembled all the men enrolled in that unit outside in the compound. Jude gave a brief explanation about BMF followed by his short testimony, and then I gave my full story. 243 men received salvation out of the 286 men enrolled in that unit. Jude started with a Christian song to minister to them and then he opened his Bible and shared Scriptures with the men who had received salvation to assure them that they have made the right decision to accept Jesus as their Saviour because He is coming back soon. We prayed for two men who had health issues. They believed in the healing power of the Lord, and they started to feel better before we left the place. I am sure God healed them completely after. We donated five boxes of washing soap to that prison at the end.

On the 29th Decwember, Jude Musisi and I went to Kaladima Prison. We arrived there at 8:30am, when the inmates were still in the morning assembly. The OC welcomed us and he asked the men to listen to our message. He told us that for him, as a Muslim, he can't waste his time listening to our Christian stories, so he moved away. Jude gave a brief explanation about BMF followed by his story, and then I gave my full testimony. 332 men received salvation out of the 354 men enrolled in that unit, 11 of whom were Muslims, but they were concerned about being

harassed by the OC for turning from Islam to Christianity. We prayed for them to be protected by the Lord from that persecution. We donated five boxes of washing soap to that prison at the end.

On 30th December, Jude and I went to Patongo Prison. We arrived there at 10am when the inmates were inside the cells. The Officer on duty assembled them outside in the green compound. Jude gave a brief explanation about BMF followed by his short testimony, and then I gave my full story. 293 men received salvation out of the 326 men enrolled in that unit, 8 of whom were Muslims. Jude opened his Bible and ministered to them. Two Muslims tried to make a noise in order to interrupt us, but the Prison Wardens took them back to the cells. We also prayed and God managed the situation, because He wanted the above mentioned souls not to perish. We donated five boxes of washing soap to that prison at the end.
