Report on BMF- UGANDA work for October 2025.

On 29th October, Jude Musis and I went to Fort Portal Main Prison. It rained heavily that day and it was still drizzling by the time we arrived there. The Wardens couldn't assemble the inmates outside in the rain, so they had to put them in the main hall which was not big enough to accommodate all the 983 inmates enrolled in that unit at once. The OC advised his staff to bring them in shifts. The first was a group of 490. Jude gave a brief explanation about BMF followed by his short testimony, and then I gave my full story. 399 men received salvation 21 of whom were Muslims. We prayed for those who had health issues and some of them acknowledged the healing power of Jesus. The second group consisted of 484 men. Jude gave a brief explanation about BMF, again followed by his short testimony, and then I gave my full story again. 413 men received salvation, 14 of whom were Muslims. Jude ministered to them shortly after the meeting and then we donated five boxes of washing soap to that prison at the end.

On 30th October, Jude Musis and I went to Rwiimi Prison. We arrived there at 2pm when the inmates were still coming back from labour work. We waited for an hour for them to bathe and have a meal. Afterwards the Officers on duty assembled them outside in the compound. Jude gave a brief explanation about BMF followed by his short testimony, and then I gave my full story. 564 received salvation out of the 615 men who were in the assembly, 17 of whom were Muslims. We prayed for all of them and donated five boxes of washing soap to that prison at the end.

On 31st October, Jude Musisi and I went to Bukwanga Prison. It was a very slow journey from Fort Portal City to Bundibujjo Town, where that prison is located, because the road is switched-back. We arrived there at 1pm. We had last visited this prison in 2018, and no gospel preachers like to go to that area because of the nature of the roads which are going there and the insecurity which

is caused by rebels from DRC. The OC assembled all the men enrolled in that unit outside. Jude gave a brief explanation about BMF followed by his short testimony, and then I gave my full story, but none of them had ever heard about the word being born-again. They had much more knowledge about Islam, and over 100 were true Muslims. because most of them were in prison with regard to cases related to conniving or working with the rebel group which is based in the DRC forest, which is near there, yet that group is for Islamic terrorists. Jude gave a brief explanation about BMF followed by his short testimony, and then I gave my full story. We ministered to them after telling our stories to convince them how their sins were washed away by the blood of Jesus, and at the end, 216 men received salvation out of the 244 men enrolled in that unit, 103 of whom were Muslims. We donated five boxes of washing soap to that prison and we promised to send them two Bibles through the Prisons Administration because they need to understand more about Christianity.

No. of men reached in October 2025 = 1,842.

No. of men received salvation in October 2025 = 1,179

No. of men reached since 2008 = 118,902.

No. of men received salvation since 2008 = 92,788.
