ONDIRI RUMWE CHAPTER OUTREACHES

This month, the Chapters in Ondiri and Rumwe had several well-planned outreaches focused on the needs within their localities, such as, visits to the sick, condolences with the bereaved, clearing bushes along the roads, and repairing road sections that were destroyed by the rains.

SCHOOLS OUTREACHES

This month, two teams have are in the process of being trained to work on the school outreach programme, effectively, with the aim of reaching as many high schools that are open to us, as possible, through the Ministry of Education since 2021.

The teams include High School teaching students who just completed college, awaiting to be posted as teachers and form-four leavers who are waiting to be admitted to colleges. The teachers have committed to training and prayers as we plan to reach and introduce discipleship programmes in schools, including where they will eventually get posted by the Government.

We envision to include more teachers, who are graduating into the programme. Let us pray for the favour of God and His direction in this programme.

On 25th May, Kasamba Jacob and Tumukunde Jimmy went to Rukooki Prison for discipleship. They ministered to 125 men from the book of Ephesians, Chapter 1:3-5 and Psalm 32:1-5.

On 29th May, Jude Musisi and I went to Ndagwe Prison. We arrived there at midday. The O.C welcomed us and asked the Officer on duty to assemble the 361 men enrolled in that unit outside

under the tree, since it was noon and the sun was very hot. The tree shade was not large enough to accommodate all of them, so some men assembled under the inext tree nea by. We stood in the middle of the two trees to ensure that both groups could hear what we were saying properly. Jude Musisi gave a brief explanation about BMF followed by his short testimony, and then I gave my full story. 304 men received salvation. We donated five boxes of washing soap and four Bibles to that prison at the end.

On 30th May, Jude Musisi and I went to Kiseka Prison. We had made the programme with the O.C to reach the Station at exactly 8am, but we were delayed on the way because of the potholes in the road, and arrived at 9am. The O.C ordered the Wardens to assemble outside in the compound all the men enrolled in that unit. Jude gave a brief explanation about BMF followed by his short testimony, and then I gave my full story. 293 men received salvation out the 337 men who were assembled, 6 of whom were Muslims. Jude opened his Bible and read some Scriptures to affirm the men who received Jesus in their hearts that they have made a right decision. We donated five boxes of washing soap and four Bibles to that prison at the end.

On 31st May, Jude Musisi and I went to Buwenge Prison, arriving there at 8:3am when the inmates were having porridge to go out for labour work. The Wardens on duty assembled them in the compound after they'd had breakfast, Jude Musisi gave a brief explanation about BMF followed by his short testimony, and then I gave my full story. 218 men received salvation out of the 243 men enrolled in that unit. We prayed for all with health issues and other needs after, and then we donated five boxes of washing soap and four Bibles to that prison at the end.
